Fire Administration, 1996. OCLC Number: (OCoLC)77121231 Subject: Fire prevention -- Florida -- Miami. Excerpt: . . . USFA-TR-090 November 1995 5 THE ReSIDenTS The Residential Center operates as a half-way house, providing counseling, lodging and other sup-port to adult male residents with substance abuse problems. Each of the program participants is required to live in the Residential Center while enrolled in the treatment program, and is assigned a job at the adjacent Salvation Army Donation Center. The average stay is approximately one year, although some of the residents had been provided permanent staff positions and continued to live in the Residential Center after they completed their treatment. The population of the Residential Center was fluid and varied from long-term residents who were familiar with the building layout to new residents who had limited awareness of stairways, exits and building configuration. The total number of residents changed often, as resident could enter the program at any time. The length of stay also varied by individual. At the time of the fire, 98 men were living in the building. All residents were able bodied individuals-none required nursing care or special assistance in exiting the building. There was no accountability system for who was in the Residential Center at any particular time. A staff member was on duty 24 hours a day and a watchman was on duty in the office just inside the front entrance of the building (located at the southeast corner of the building). All outside doors were locked at 7 p. m. ; access into the building after this time was through the front entrance, where the watchman would unlock the door....
