Brand New Book ***** Print on Demand *****.John Brown (May 9, 1800 - December 2, 1859) holds a unique place in American history, often viewed as a force for good and an evil man at the same time. Brown was a revolutionary abolitionist in the United States who became famous in his own time for practicing armed insurrection as a means to abolish slavery for good. He led the Pottawatomie Massacre during which five men were killed in 1856 in Bleeding Kansas and became notorious for his attempted raid at Harpers Ferry in 1859. For that, he was tried and executed for treason against the state of Virginia, murder, and conspiracy. Brown has been called the most controversial of all 19th-century Americans. Brown's attempt in 1859 to start a liberation movement among enslaved African Americans in Harpers Ferry, Virginia (now West Virginia) electrified the nation. He was tried for treason against the state of Virginia, the murder of five pro-slavery Southerners, and inciting a slave insurrection and was subsequently hanged. Southerners alleged that his rebellion was the tip of the abolitionist iceberg and represented the wishes of the Republican Party to end slavery. Historians agree that the Harpers Ferry raid in 1859 escalated tensions that, a year later, led to secession and the Civil War. Brown's final speech, along with other words and interviews spoken by Brown during and after his trial and imprisonment are contained here in a collection of Primary Accounts of John Brown. Included are the last letters to his family, his last speech, his interview in prison, and the final note he wrote the day he was executed which predicted that slavery would only be abolished...
