He shall see they are properly cleaned and kept lubricated. He shall also satisfy himself that they are in working order by trying and using the levers and seeing that the switch of the points fits properly and truly to the stock rail. 37. All facing points on main line shall be secured by a padlock or other locking device. 38. The Driver shall bring the train to a stand in front of all facing points unless signalled forward. 39. The Station Master shall be responsible that all facing points over which a train will pass are correctly set and locked and trailing points correctly set. 40. No Driver shall take an engine upon or across the main line without being signalled by the person in charge of the points. 41. Drivers shall exercise great care in passing...

Reviews

Most of these pdf is the best book readily available. It usually is not going to expense a lot of. Its been printed in an exceedingly easy way which is only soon after i finished reading this publication in which actually transformed me, change the way i really believe.

-- **Hadley Haag**

Comprehensive information! Its this type of very good read. It is writter in basic words instead of hard to understand. You are going to like how the article writer compose this pdf.
