DOOMSDAY PREPPING AND SURVIVAL: FROM CIVIL DISTURBANCES TO BIBLICAL PROPORTIONS

Jaime Mera, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Doomsday survival prepping is a lifestyle and hobby for many people hoping to survive a catastrophic event or events, also known as the apocalypse, which have yet to seriously reveal its ugly head. This book guides any person to have an aggressive mindset with a clear focus to beat the odds by increasing survivability through effective planning and execution of preparation and construction efforts. This book tells you what you should be doing, and not waste your time and money on efforts which will in the end fail or provide a very small victory. Super volcanoes, global destroying meteors, the economic breakdown of a country, and biblical proportions of the last days as depicted in Revelations (like plagues, years of famine, massive deaths of people and animals) are addressed and examined; but more importantly is how to effectively gather resources, focus your preparation efforts, execute a well rounded plan, and prevent people from taking away your life and dreams of a better future. You will learn the best ways to develop a dynamic group of survivalists and family of people, all set on the goal to survive and repopulate the planet if need be. Examples of good, very good, and bad and extremely bad prepping practices are shown along with solutions to problems most preppers run into or should encounter if the preparation efforts are being properly built on top of each other. This book looks at other resources like other books, movies, shows, and organizations to improve your knowledge base and connect you to the people you should interact with the most. You will know how to identify the best location for your safe haven (bunker)...
