Even now the large majority of people have not grasped the full import of the tremendous things that have happened, the culmination of which is the emancipation of Palestine, the restoration of the Jew, and the part Great Britain has been called to play in all these epoch-making movements. For 6,000 years now man has had absolute freedom to work out his own salvation in his own way. Ever since the Fall, God has been disciplining him, teaching the great truths of holiness, the awfulness of sin, and the absolute helplessness of man to save himself from the thralldom into which he fell through our first parents. It is difficult for man to realise that ever since the Garden of Eden he has been living in an abnormal condition.
