Reviews

Complete guide! Its this sort of good read. It is rally exciting throgh studying period. I am just pleased to explain how here is the very best publication i have go through inside my own existence and could be he very best publication for at any time.

(Adele Rosenbaum)

DAILY BREAD: ART AND WORK IN THE REIGN OF QUANTITY

DOWNLOAD

Angelico Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.FOR MORE THAN THIRTY YEARS, Brian Keeble s writings have made a most rare and valuable contribution to elucidating the applications of the philosophia perennis to our understanding of art and work--to the activities, in short, that sustain everyday life and economy. Daily Bread: Art and Work in the Reign of Quantity is a selection of pieces from Keeble s prose publications, intended to bring this important oeuvre to new readers and to consolidate it in a single volume for those already familiar with Keeble s work. Inclusive of several previously uncollected essays by the author, the volume is divided into two parts: the first introduces Keeble s principal ideas about art and work, tradition, and the crisis of the modern world; the second discusses these ideas in relation to the work of specific modern artists and poets. These essays reach far deeper and have a much wider scope than most contemporary cultural critique. They offer to the engaged reader ways to confront the contemporary malaise that are viable precisely because the author s approach is based on universal and timeless metaphysical principles. Brian Keeble has devoted many years to the study of the traditional arts and is the author of a number of valuable works on the subject. We must be grateful to him for providing a powerful reminder of that art which reflects both beauty and truth and which is of the utmost importance for a life worthy of being called truly human. --SEYED HOSSEIN NASR, author of Man and Nature: The Spiritual Crisis in Modern Man Keeble s [work] calls for eliminating the barriers between art, crafts, and work by infusing all activity with...
