A thousand thoughts ran through her mind. Her life would never be the same. At seventeen she sat before the Lord, crying out in the dark, pleading with God for an answer. Had he really been the one set aside as her future husband, or was her future still out there waiting for her? Whatever the answer, she knew she must accept it. She desperately held onto the prayer that God had a plan for her life. Looking for Love with All the Wrong Husbands: I Manual is author Tee Fuller s story of four marriages, four divorces, and hope. She walked through life divided, lacking confidence and reeling from bad choices and ugly consequences. Fuller had beautiful children and an extended family. But deep inside, where no one could see, she lived with regret, unfulfilled desires, and deep emotional wounds. Then one day, she met someone that caused her heart to hope again. Looking for Love with All the Wrong Husbands: I Manual is Fuller s story, but it is also one shared by many women today. Walk with her through the journey as her heart and future unfolds, and as renewed hope and healing become reality. Draw inspiration from Fuller s experiences as she realizes the depth of the battle she s been fighting and who the enemy really is.
