Reviews

Excellent electronic book and helpful one. Better then never, though i am quite late in start reading this one. You wont truly feel monotony at whenever you want of your time (that's what catalogues are for relating to when you question me).

PORSCHE 911 AND DERIVATIVES: VOL 2: 1981-1994

Motor Racing Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Porsche 911 and Derivatives: Vol 2: 1981-1994, Michael Cotton, This sequel to the first 911 collector's guide, which covered 1963 to 1980 models, picks up the story at the period when Porsche came under new management and the future of the 911 seemed in doubt. Sales were eventually reversed, however, propelling the 911 and its many derivations into their most exciting production phase. All of the increasingly powerful 2.8-, 3.0-, 3.3-, and 3.6-liter versions of these coveted performance coupes are examined in this illustrated collector's reference, as are specification changes and race and rally successes. A special chapter is devoted to choosing a 911 and the costs of ownership, while comprehensive appendices list serial numbers, engine specs, performance figures, and Porsche club contacts throughout the world. An essential reference for prospective buyers and Porsche fans everywhere.
