Living Waters Jazz sing and play-alongs consist of a music book with 8 songs (melody + lyrics + chords) where a vocalist and/or instrumentalist or sings or plays along with accompaniment tracks (mp3s) you download (approximately 70 megabyte zipped file). Great fun and an excellent form of practice for instrumentalists wanting to supplement their practice time or performance. For vocals and all instruments (key of C Treble Bass Clef), Bb and Eb. It s you and the band, that is, the accompaniment tracks in 8 songs by Christian songwriters found on the web. Mixed hot and to sound as if the band is right there with you! And the songs are short enough in length so you can sing or play all eight songs in one sitting. These songs by Christian authors are inspirational, soul searching and are meant for worship or praise. Either to supplement practice time or for performance, or even to use as band material for a small group. Choirs can also sing a long with these accompaniment tracks! CD is available as a separate purchase.
