

From the Camargue to the Alps: A Walk Across France in Hannibal's Footsteps (Revival)

Book Review

This is the finest publication we have read through right up until now. Better than ever, though I am quite late in starting reading this one. It's been written in a remarkably easy way in fact it is only after I finished reading through this book that I basically altered me, affected the way I think.

(Dr. Gabriella Hayes)
