## REVOLUTION FOR BLACK FRATERNITY RELEVANCE TO THE GLOBAL AFRICAN STRUGGLE: PROPOSED BY ALL REVOLUTIONARY QS

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The global assault on African people requires a comprehensive strategy to counter the onslaught. This book explores how Black fraternities in the United States can become relevant to the struggle of African people through collective work and responsibility and cooperative economics. Black Fraternities are comprised of very well educated black men which provides a professional/intellectual pool as well as financial resources that could provide an infrastructure to build a significant social movement. Most of them have been established with that goal in mind. However, throughout time they have lost sight of those goals and have rendered themselves on the margins of relevance to the Global African struggle. There is focus on Omega Psi Phi Fraternity in this book only because the author is a member of that fraternity and has a more intimate understanding of the intricacies of that fraternity. However, the ideas presented in this book may serve as a paradigm for black fraternities and sororities. With Omega as a paradigm for black fraternities, this book calls the reader to consider that Omega is in a unique position to economically and intellectually support a national/international movement to uplift African people as well as all downtrodden humanity. Omega is in this unique position because it has an economic infrastructure that generates capital without external support. Omega also has the intellectual and professional capacity capable of implementing economic, social, educational and cultural programs that can systematically uplift the downtrodden in a substantive way. Omega is in this unique position because it has a commercial brand that is successfully marketed and it has means of producing revenue. It also has its own banking system with the strong potential for expansion....
