Prince: The Man and His Music

By Matt Thorne

Agate Bolden, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. Famously reticent, perverse, and controversial, Prince is one of the few remaining superstars of the 1980s who still, perhaps, remains an enigma. Now a firm fixture in the pop canon, where such classics as Purple Rain, Sign o the Times, and Parade regularly feature in Best Ever Album polls, Prince is widely held to be the greatest musician of his generation. His live performances are legendary and his influence on music across pop, indie rock, hip hop, and R&B has never been more evident. Matt Thorne's Prince has been written from years of research and interviews with dozens of intimate associates, and examines every phase of Prince's career over thirty-five years.
