DER HUND VON BASKERVILLE, ENGLISCHE AUSGABE ebook.

Penguin UK. Taschenbuch. Book Condition: Neu. 198x129x14 mm. Neuware - Sir Arthur Conan Doyle's The Hound of the Baskervilles gripped readers when it was first serialised and has continued to hold its place in the popular imagination to this day. Could the sudden death of Sir Charles Baskerville have been caused by the gigantic ghostly hound that is said to have haunted his family for generations Arch-rationalist Sherlock Holmes characteristically dismisses the theory as nonsense. And, immersed in another case, he sends Dr Watson to Devon to protect the Baskerville heir and observe the suspects at close hand. With its atmospheric setting on the ancient, wild moorland and its savage apparition, The Hound of the Baskervilles is one of the greatest crime novels ever written. Rationalism is pitted against the supernatural and good against evil as Sherlock Holmes sets out to defeat a foe almost his equal. This edition contains a full chronology of Arthur Conan Doyle's life and works, an introduction by renowned horror scholar Professor Christopher Frayling discussing the background to the novel and the legends and events that inspired the story, with further reading and explanatory notes. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. 195 pp. Englisch.
