## EYES OF JAGUAR

To read **Eyes of Jaguar** eBook, remember to refer to the button listed below and download the ebook or gain access to additional information that are have conjunction with EYES OF JAGUAR book.

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Shamanic path is found in cultures all over the world. Virtually every native tradition has its healers, its wise men and women, its medicine men and witch doctors. These wisdom lineages vary in their preservation, as some Shamanic heritages are nearly lost to us while others survive intact, or very nearly so. The Shamanism of the Andes, the Incan tradition, is one of the survivals. Of course, to obtain these teachings would be impossible if not for the willingness of lineageholding Shamans to make themselves available to students from the West. We are all fortunate that don Riccardo s visions (that we must become the new caretakers of the Earth) have led him to open up the Incan Shamanic teachings to us. For this to happen, we must come to re-learn the realm of the Sacred. We must learn to journey beyond the tonal, the daily world of personality and ordered linear reality. We must learn to move within the nagual, the place where power hovers. We must re-discover the viracocha, the Creator of the Incas, which is the field or force that patterns all things and allows us to reach out for extraordinary health by bringing ourselves into line with it. We need to learn to walk the medicine wheel, taking the Shaman s journey from the South to encounter the Serpent and to shed our pasts; to the West to meet the Jaguar and learn impeccability from her; to the North to hail the Masters in their crystal cave and come in touch with the mastery within us; and to the East to summon the Eagle to bring us vision that we may become co-creators...
