## The Kentons

By W. D. Howells

Echo Library. Paperback. Book Condition: New. Paperback. 156 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Kentons were not rich, but they were certainly richer than the average in the pleasant countytown of the Middle West where they had spent nearly their whole married life. As their circumstances had grown easier, they had mellowed more and more in the keeping of their comfortable home, until they hated to leave it even for the short outings, which their children made them take, to Niagara or the Upper Lakes in the hot weather. They believed that they could not be so well anywhere as in the great square brick house which still kept its four acres about it, in the heart of the growing town, where the trees they had planted with their own hands topped it on three sides, and a spacious garden opened southward behind it to the summer wind. Kenton had his library, where he transacted by day such law business as he had retained in his own hands; but at night he liked to go to his wife's room and sit with her there.
