Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Treasured family stories, fond memories, and personal wisdom are often lost to future generations because we do not routinely compile a written legacy. In Elderwriters: Celebrate Your Life, author Sue Barocas offers you a new model for legacy writing - the Personal Legacy Document (PLD). You don't have to be an experienced writer to create a rich trove of short pieces that reflect your thoughts and feelings about what life has meant to you. In the Elderwriters approach you will explore a wide range of forms - anecdotes, epiphanies, paragraphs and poems, lessons learned, one-liners, lists, essays, letters, and more - to help you collect your thoughts and celebrate your life. There is nothing in the approach that requires or anticipates writing skills beyond those learned in high school. Elderwriters is for the writer in all of us. Be sure to peruse the table of contents to get a feel for this novel and highly successful approach to personal legacy writing. PLDs average 20-25 pages. This book is a guide for creating your own personal legacy document....
