By Suzanne Burns

Night Bomb Press Nov 2012, 2012. Taschenbuch. Book Condition: Neu. 203x127x5 mm. This item is printed on demand - Print on Demand Neuware - Ghost Wife marks Suzanne Burns' second collaboration with Night Bomb Press with a full-length collection of poems that might be one of her strongest releases to date. The collection itself is a tightly interwoven set of sixty-three poems that cut a surreal path through the internal minefields of an infidelity. The overall result functions more like a song cycle than a simple collection of poems - the success of the individual works and their relationship with one another renders the book as a whole a complete and vital organism. Ghost Wife is both as solid and haunting as the name implies, and further locates its author's station in the world as that of an important emerging writer. 84 pp. Englisch.

### Reviews

*This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.*

*Basically no words to describe. We have read through and I am also sure that I am going to go to read once more once again later on. You may like just how the article writer composes this publication.*
