Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which I in fact changed me, change the way I think.

(Lucinda Stiedemann)

PATHS ALONG THE WAY

Kinvara Productions, United States, 2013. Paperback. Book Condition: New. 241 x 165 mm. Language: English . Brand New Book ***** Print on Demand *****.The Bromley Court Housing Project is a prison without bars where the poor struggle for survival. It is 1967 and the City of Boston is beginning to come apart at the seams. Racial hostility and a preoccupation with the war in Vietnam have brought about the beginnings of dramatic change throughout America. Despite the adversity of the times and their surroundings, a friendship holds fast in Bromley Court. Christopher Conley and Michael McLean are project kids, each attempting to cope with life and its unfairness. Christopher is in his senior year of high school. While on his way to school he sees Lorna, a stunningly beautiful black girl, waiting for the train. After months of observing her from across the expanse of a Boston subway station he summons the courage to speak to her and finally arranges a rendezvous after she gets out of work. Christopher tells Michael of his plans to take Lorna out and to accompany her home. Michael's superior street sense and genuine concern for his best friend cause him to discourage Chris from attempting to take Lorna home, a home located in the heart of Boston's seething black neighborhood. Chris's desire for Lorna outweighs any concerns for personal safety. He is determined to overcome the racial hostility that surrounds them. He has fallen in love with her. Recognizing that Christopher is resolute, Michael insists that he at least take some protection on his venture into a part of the city enclosed by invisible walls of hate and fear. Michael supplies his unwilling friend with a .45 caliber pistol. That night, the lovers meet. A cobblestone street leads the way downward...
